Profile

Passionate React Native Developer with 2+ years of experience building scalable mobile apps, robust web platforms, and secure backend systems. Focused on clean architecture, performance, and delivering user-centric digital solutions.

Professional Experience

10/2024 – Present Banglore, India	**React Native Developer** *Dalocal Technologies Pte Ltd* Led the development of a secure **verified digital identity platform** with features like profile ID cards, hiring workflow management system, and a social community. Collaborated with frontend and backend teams to ensure seamless integration and scalability. Optimized performance by **reducing app size by 40MB**, eliminating unnecessary re-renders, and cutting **12,000+ lines of code** through reusable components and **Redux Toolkit**.
07/2024 – 10/2024 Indore, MP, India	**Full-stack Developer** *Mobile Safety Care* Developed and deployed a complete React Native multi-vendor mobile repair app on the **Google Play Store**, with **Redux Toolkit** for state management. Integrated features like **refer & earn** (dynamic linking), **coupon discounts**, and a dynamic admin panel for shop and service management. Built a secure **Node.js + MongoDB** backend with **Firebase Messaging** and **Twilio OTP authentication**.
11/2023 – 03/2024 Indore, MP, India	**React Native Developer** *Niyoin Coders Pvt Ltd* **Delivered 5+ projects** on time, including **fintech app** (payments, bill pay, micro ATM), a healthcare **SFA platform**, and a temple app. Worked on React Native, React.js, and Kotlin, collaborating with cross-functional teams and foreign clients. Emphasized clean architecture and used **Redux** for state management.
10/2022 – 04/2023 Indore, MP, India	**React Native Intern** *Ypsilon It Solutions Pvt. Ltd.* Contributed to the complete development lifecycle of mobile applications using React Native. Designed and built user interfaces from scratch, followed scalable architecture and **reusable component** patterns. Gained hands-on experience in third-party library integration, **Google Maps** setup, and implemented **authentication** .

Education

07/2021 – 08/2024 Indore, MP, India	**Bcom (Computer Application)** *Maharaja Ranjit Singh College of Professional Sciences*
07/2020 – 04/2021 Depalpur, MP, India	**12th** *Modal School*
07/2018 – 04/2019 Depalpur, MP, India	**10th** *Saraswati Vidhya Mandir*
